

Hugo Business Association
“Promoting Unity for the Community”

TO: Area Business Professionals
FROM: Debi Johnson
President, Hugo Business Association
SUBJECT: Business Opportunities

Dear Sir/Madam:

I would like to take this opportunity to introduce you to the *Hugo Business Association (HBA)*.

Established by a group of business owners in 2002, the *HBA* exists to support local business.

Each year the *HBA* provides its members with a multitude of opportunities to promote their businesses, through a variety of networking and promotional events. In addition, the organization provides its members with numerous educational opportunities, a forum for establishing mutually beneficial business relationships, and a support system for working with each other, with city hall and with the local Hugo community.

Since its creation, the *HBA* has not only been a strong advocate for business growth, but also a strong supporter of numerous community, parks and school programs. Each year the HBA sponsors several fund raising events, which benefit a variety of local organizations and charities.

For more information about the *Hugo Business Association*, please check out our website at www.hugobusinesses.com.

On behalf of all of the members of *HBA*, I invite you to check us out at our next monthly meeting, held at the American Legion on the second Tuesday of every month from 12:00 – 1:30 PM.

See how the HBA can help your business succeed!

Sincerely,

Debi Johnson

Debi Johnson
President
